To Whom It May Concern:

The Hamilton County Athletic Association (HCAA) would like to offer you the opportunity to invest in a county wide athletic association that benefits youth from the local area. HCAA is a non-profit 501(c)3 charitable organization founded in 2015 to develop and promote the ideas of responsibility, hard work, sportsmanship, teamwork and fellowship within a positive and safe environment. HCAA will strive to instill these life lessons through competitive sports. HCAA is currently in our eleventh year of operation, thanks largely in part to generous donors like yourself.

This year, a minimum donation of \$200 will sponsor our summer baseball and softball league. Due to the unknown number of teams, sponsors will be assigned teams in the order we receive this form. Should we receive more sponsors than we have teams, we will then assign banner space to the fences to ensure that your business gets noticed by as many people as possible. Coaches tied to a sponsor will receive their sponsorship first. Any players on that same team cannot be guaranteed a requested sponsor.

If you would also like to sponsor our football program, a minimum donation of \$150 will get your business listed on fence banners, team t-shirts, recognition from announcers and in our gate programs.

Once again this year we offering you the ability to "adopt a player". Each year we waive participation fees for many families that need financial assistance. Our registration fees are currently \$50 for baseball and softball and \$70 for tackle football. By paying the registration fee for an unknown child you help us offset that loss without turning anyone away.

Should you have any questions you can reach me at the contact information listed above. Please return the completed form by April 19th to ensure we have time for ordering prior to the season. Thank you very much for your continued support!

Sincerely,

Jonathan Rush
HCAA President
